New Business: Barb Birkholz introduced herself and asked about clean-up at the Hutchins Lake Public Beach. Barb along with several other community members have been out cleaning, weeding, mowing, and planting flowers. She would like to know if there is any money in the budget to pay for the up keep of the beach. She would also like to see a bench or platform for beach goers with their families. Giles stated that the Board will discuss this and asked if she would be willing to come back with sketches and ideas.

Mr and Mrs Post introduced themselves to the Board. They are new Fennville residents but have vacationed here for many years with their children. They have now settled in Fennville for retirement. They recently applied for a variance and learned much about how the variance application and procedures work.
